IMPORTANT GRAD PHOTO INFO:

Please see the order form on the reverse for more information on ordering pictures. Orders must be returned to the Main Office prior to May 16. OR view any graduation pictures that include your graduate by **texting BCGRAD2019 to 735-343** and sign up for a Waldo photo account to preview your images.

Iseman Photography is using Waldo photo distribution service as a way to host graduation images as an alternative to the zenfolio galleries used in the past. This service will text you your specific images so that you do not have to sift through all of the images to find yours. Once you sign up, you will get a text from Waldo with a preview of any images captured of your graduate. No purchase is necessary to preview the images.

You have the opportunity to purchase prints, an individual digital file or sign up for a digital package of all of your images (called a "season pass") that will allow you to receive a copyright released digital image(s) of any image that includes your graduate. You can download these high resolution images directly to your phone and/or computer. If you purchase digital files they will be sent directly to you. If you purchase prints using this service, they will be mailed directly to your address so that you don't have to pick up at school after graduation.
